

Olife Panel Curtains

50cm x 210cm (19.7" x 82.7")

Use multiple panel curtains or add on strings to increase both the width or the length.

Panel curtains include rings that fit poles upto 25mm (1"). Other rings can be attached for poles of larger diameters. Panel curtains may also be used on panel hangers by removing the rings.

Olife Add on Strings and Accents

4.8cm x 210cm (1.9" x 82.7")

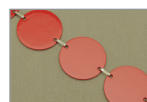

Add on strings can be used to increase both the width or the length of a panel curtain or can be used to add an accent colour within the panel.
