

Product Specification Sheet

REGAL

Description:

Regal with its 54 leather colors and casual elegance is a designer's best friend. Color consistency, durability and easy care make Regal a perfect choice. Usually leather color is all about brown, but Regal gives you a far reaching colour pallet. This practical upholstery leather features a soft draping hand and is specified to meet the heavy standards and testing requirements of the contract and hospitality markets. Regal hides average 0.9 - 1.1 mm thickness in order to accent the drape and hand of this leather.
